### Data Protection Act

The Club stores its Membership records on a computer for reasons of efficiency, ease of update, financial control and for printing address labels for communication.

These records contain the following information which falls within the the definition of "Personal Data" under the Data Protection Act 1984:

- Name of Member
- Address of Member
- Membership Category
- Handicap (where applicable)
- Subscription paid

If you have no objection to the Club holding such personal data on computer, the Club will be exempt from certain registration and other provisions contained within the Act. On your ceasing to be a Member this information will be removed. Please tick the box if you object to this information being held on computer
